Description

initiatives to determine their best path forward. Side Project provides fiscal sponsorship, management and grant support for new and innovative projects focused on progressive social change. We help social change agents and groups implement new programs, bring together groups to collaborate on an issue, and test new approaches to social change. Fiscal sponsorship is a common mechanism used in the nonprofit sector that enables individuals and organizations to start new programs without establishing a new, separate nonprofit organization. The infographic below provides an overview of how fiscal sponsorships work. In 2018, we undertook several initiatives focused on creating a more inclusive and welcoming community. This included the OpenUp PGH project, the Western PA Disability History and Action Consortium project, the Interdependence Network Program, and the Pittsburgh Center for Autistic Advocacy. The OpenUp PGH project offered inclusive yoga and improve theater to more than 100 students with and without disabilities in Pittsburgh. The Western PA Disability History and Action Consortium project is working to preserve and honor the historic struggle of Western Pennsylvanians with disabilities to attain human and civil rights. The Consortium also educated the public about disability history both online and in several live presentations. The Interdependence Network (IN) is a community of practice organized by individuals and human service organizations from around the United States, Canada and Australia. Members have committed to shifting their emphasis from the traditional medical model approach to rehabilitation to an interdependence model, which builds and fosters social capital and social inclusion within communities as the primary strategy for enabling people with disabilities to become full members of society. The group continued to meet and share emerging best practices. The Pittsburgh Center for Autistic Advocacy seeks to advance the equity of autistic people in all realms of life. PCAA believes in inclusive education, policy, and community for autistic people and all people with disabilities.

Second Program Service Accomplishments Description

Description

both in person and online based education and technical assistance. We provide information and guidance to nonprofits and grassroots projects on corporate, tax and compliance issues. This includes corporate governance issues, charitable registration compliance issues, tax-exempt issues, including executive compensation, private inurement, excess benefit, and the restrictions on lobbying and political activity. In 2018, this included over 3500 hours of pro bono and low bono one-on-one support to more hundreds of nonprofits and would-be nonprofit organizations (with budgets less than \$5,000,000) in Pennsylvania and Florida. Additionally, we provided on-going low bono and pro bono legal, community organizing, and operational support to more than 35 small, grassroots nonprofits focused on social justice issues. In addition to technical assistance, we also published the Pro Bono Publico blog that helps community organizers and nonprofit executive directors to understand the state and federal legal issues impacting their organizations. In Florida, we hosted nonprofit legal clinic workshops in partnership with Nonprofit First on legal and compliance issues for small nonprofits, 15 organizations attended. In Pittsburgh, we partnered with the Bayer Center for Nonprofit Management and hosted a workshop for individuals thinking about starting a nonprofit. The course, So You Wanna Be a 501(c)(3), focused on the incorporation process and alternatives that may be more appropriate, as well as nonprofit governance issues, reporting requirements and other legal and management issues that impact nonprofit organizations, 10 individuals attended. We also hosted a webinar on "Fiscal Sponsorship" in partnership with the Pennsylvania Association of Nonprofit Management and Nonprofit Issues.
