We provide resources, training and technical assistance to nonprofit leaders and social change agents. Our work follows an Asset Based Community Development strategy (See, <http://www.abcdinstitute.org/>). Using this strategy, we seek to build on and support community assets and work to mobilize individuals, associations and institutions to come together to build on to their existing assets. This approach focuses on the potential of a community. Many communities address social and economic problems with only a small number of the community's total capacity. This is the challenge and opportunity of community engagement. Our strategy starts with the assumption that EVERYONE IN A COMMUNITY HAS SOMETHING TO OFFER.

Our work supports individuals, organizations, and institutions focused on social change as they try to begin identify, utilize, and add to the existing assets of a their community. Our resources, training and technical assistance focus on:

1. The Rules, Regulations and Laws Impacting Social Change Efforts.
2. Community Organizing & Development Strategies.
3. Inclusion Of ALL People In The Community.
4. Evaluation & Outcome Measurement.
